CASTOR OIL, UGH!

Delicious "Syrup of Figs" best for their little stomachs, liver and wasteclogged bowels.

Look back at your childhood days. Remember the physic that mother insisted on-castor oil, calomel, cathartics. How you hated them, how you fought against taking them. With our children it's different. The day of harsh physic is over. We don't force the liver and 30 feet of bowels

now; we coax them. We have

no dreaded after effects. Moth-

ers who cling to the old form of physic : mply don't realize what they do. The children's revolt is well founded. Their little stomachs and tender bowels are injured by them.

If your child is fretful, peevish, half sick, stomach sour, breath feverish and its little system full of cold; has diarrhoea, sore throat, stomachache; doesn't eat or rest well -remember-look at the tongue, if coated, give a tea-

spoonful of Syrup of Figs, then

don't worry, because you surely will have a well, smiling child in a few hours. Syrup of Figs being composed entirely of luscious figs, senna and aromatics, simply cannot be harmful. It sweetens the stomach, makes the liver active and thoroughly cleanses the little one's waste-clogged sour bile, undigested fermenting food and constipated waste matter gently moves on and

out of the system without griping or nausea. Directions for children of all ages, also for grown-ups, plainly printed on the package. By all means get the genuine. Ask your druggist for the full name "Syrup of Figs and Elixir of Senna" prepared by the California Fig Syrup

Co. Accept nothing else.

Horseback Parade by Suffragists.

Foreign Correspondence of The Star. LONDON, September 27, 1912 A great march of about 100 suffraof "woman suffrage" from London to foot ball players came through the Syra-cuse game practically without injury. All of this has been brought about by Cooney, left guard, suffered a slight microscopic particles of blood can be to men without women being included.
